

Memorandum Of Procedures

For Dealing With Misconduct Occurring Before, During Or After Matches And Committed By Players Of Clubs Dealt With By County And Other Affiliated Associations But Not By The FA (Except for Teams playing at Step 5 & 6 of the National League System and The FA Women's Premier League)

This Memorandum cites procedures as they apply exclusively to Participants who are acting as Players when reported. For offered Standard Punishments, accepted allegations or for Personal Hearings found proved, the outcome will normally entail a Fine and a total or conditional suspension from playing.

Save for serious or repeated proved misconduct, Participants offending in a capacity other than as Players in a match should not be suspended but be subject to any of a reprimand, a warning as to future conduct, a written undertaking not to repeat, a touch-line ban for a period of time, and a Fine (active or suspended for a given period), together with costs in proved guilty cases.

PART I

1. Definitions

- 1.1 In this Memorandum the words "the Association" refer to the appropriate County or other Affiliated Association, the words "the Association Secretary" mean and include any person nominated to discharge a part of the regulatory and disciplinary administration of the Association as well as its actual secretary and Disciplinary Commission means a commission established by the appropriate Affiliated Association.
- 1.2 Wherever gender is referred to in this Memorandum, either shall be inferred, as relevant.
- 1.3 All written communications from a player to the Association Secretary must be sent by the secretary of the player's club unless the player is no longer registered with the club.
- 1.4 Every Association must set out in its rules or regulations a copy of these procedures, which are to be followed after a player has been cautioned or dismissed from the Field of Play while playing in a match for a club or a particular team of a club not dealt with by The Football Association.
- 1.5
 - (a) A "child" means a person who at the date of the relevant match was under the statutory school-leaving age and throughout these regulations full-time education refers to a child who is of compulsory school age or who is over the school-leaving age but is under the age of 18 and is for the time being attending a school or in full-time education in an establishment of further education.
 - (b) Financial penalties for misconduct must not be imposed on a child (Sections 5.2, 6.3 & 7.2 and 13.3). Where a Standard Punishment or Regulatory Commission decision includes any financial element then the player's club is liable for the sum imposed.
- 1.6 Wherever "written" or "letter" is referred to in this Memorandum this is deemed to include communication by fax or e-mail. Where an Association chooses to communicate by fax or e-mail it must take all reasonable steps to ensure that the address or fax number used is current.
- 1.7 This Memorandum supersedes all previous versions and is effective from 1st July 2004 until further notice.
- 1.8 The term "suspension" in this Memorandum means the suspension is from playing football ONLY and any other sanction required for the period of suspension must be specified in the decision letter forwarded to the Participant.
- 1.9 Permanent Suspension means no review to be considered under a period of 10 years.

2. Timing

Disciplinary procedures shall commence no later than 90 days, and the outcome determined no later than 180 days from receipt of the report of alleged misconduct, or otherwise be void. If deemed reasonable, any period of delay requested or caused by the Participant will not count towards the 90/180 days. The Association must use due diligence to charge and/or finalise cases within that period of time and must conform with the requirements set out in Part I of this Memorandum, subject to the effects of the adoption by the Association of any of the alternative and optional powers set out in Part II.

3. Administrative Procedures

An Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

4. General

- 4.1 Without prejudice to the foregoing provisions of Part I of this Memorandum, an Association shall have the power to delegate to The Football Association or to another Affiliated Association its powers and duties to investigate and/or adjudicate in cases where it may be advantageous so to do.
- 4.2 If a referee omits to show the appropriate card when taking action against a player, this does not nullify the caution or sending-off offence. However, the attention of the referee should be drawn to the correct procedure.
- 4.3 A Participant consents to abide by the Laws of the Game, the Rules and Regulations of The Football Association or an affiliated Association and to

reasonable proportionate disciplinary action when playing the game. The issue of a caution is a decision based on a question of fact on the Field of Play upon which the Referee's decision is final. The recording of the caution and the consequences that flow are both reasonable and proportionate. Cautions not being the subject of appeal do not breach the Human Rights Act 1998.

- 4.4 Recommended punishments are to be used in Sections (5 and 6) below when offering a punishment and as a guide only when dealing with cases under Section 7. When a player is dealt with by a Disciplinary Commission cases must be dealt with on their merits and a punishment awarded consistent with the overall nature and effect of the offence(s); also the player's record of misconduct over the current and previous five seasons.
- 4.5 Associations may, at their discretion, offer suspension periods that are split to avoid suspending players over the summer months. The start and end dates of the time period where players will not be suspended will be determined by the Association. However the start date for the period must fall on a Monday and the end date for the period must be a Sunday. This clause shall not apply to sine die suspensions.

5. Caution Offences

- 5.1 Subject to the provisions of Part I Section 3, upon receiving a report from a referee that he has cautioned a player for a violation of the Laws of the Game, the Association Secretary must:-
- 5.2 Send an acknowledgement to the referee and send to the secretary of the club for which the player was playing at the time a written notification that the caution has been recorded. An order must be made for the player or his club to pay an administration charge of £8 within 14 days of the date on the written notification. Where a child is concerned the club for which he is playing at the time of the offence must pay the £8 charge.
- 5.3 It is the duty of the club secretary and the player, within 14 days of the date stated on the notification, to ensure that the Association Secretary receives the completed player reply form with such information that includes: -
- (a) The full name and address of the player.
 - (b) His date of birth (and other personal identification data requested).
 - (c) The name of each club for which he is currently registered and was registered in the previous two seasons.
 - (d) The signature of the player concerned.
 - (e) The names of any school, college or other educational establishment currently attended.

If the player is not available to sign the pro-forma document, the club should complete and return it indicating the reason for the non-completion together with the administration fee and confirmation as to whether or not the player has been made aware of the contents. Any suspension order resulting from failure to comply with 5.3 (a)–(e) above shall be on the club and the individual player, subject to Section 11 below.

- 5.4 A player will not be permitted to request a "Review" in respect of an individual caution except in the case of a claim of mistaken identity. Any such claim must be lodged in writing with the Association Secretary within 14 days of the match - by both the club and the player alleging mistaken identity - giving particulars upon which the Claim is founded. The player admitting the offence must agree to the club submitting the claim. If the chairman of the Disciplinary Committee and/or the Association Secretary are satisfied that the claim warrants further investigation, a Disciplinary Commission of not less than three nor more than five members must be appointed to deal with the matter. If the members of the Disciplinary Commission are satisfied that mistaken identity has been proved, the record of the offence will be transferred to the appropriate offender, who may be subject to disciplinary action in accordance with the provisions of the current procedures, if applicable. If the Disciplinary Commission is not satisfied that mistaken identity has been proved the caution will be recorded on the original player's record.
- 5.5 Recommended Punishments (*Law 12 Caution Offences*)

An application for a personal hearing must include written reasons for the personal hearing together with the estimated number of witnesses to attend the hearing for time management purposes. The Participant will receive the automatic punishments applicable for the offence as determined by The Football Association. 8.7 Associations may, at their option, use a penalty points based system to punish clubs whose misconduct is deemed excessive. If the Association chooses to punish clubs for Aggregate Misconduct they must use a system that conforms to these Regulations.

8.8 Penalty points for Cautions and Standard Punishments are listed against the relevant offences in these Regulations. Disciplinary Commissions must, if they

find the charge proved, allocate an appropriate number of disciplinary points to the case in addition to any fine, costs and suspension.

- 8.9 These points are effective once the case:
- is reported for Cautions.
 - is accepted or out of time to request a hearing for standard punishments (unless a hearing has been requested).
 - has had a hearing for cases having hearings (unless an appeal is requested).
 - has had an appeal for cases going to appeal.
- Penalty points must not be awarded to charges found not proved

- 8.11 Misconduct dealt with by The Football Association must not be included in the penalty points totals.
- 8.12 Sanctions should be imposed at three stages, each incurring an Administration Charge, currently set at £10.
- 13 The number of points allowed for each stage (the Threshold), must be related to the number of teams that each club possesses.
- 14 Associations may make allowances in the number of teams that a club is deemed to have for Aggregate Misconduct, to reflect clubs whose disciplinary cases are handled by The Football Association. This is to prevent such clubs gaining an unfair advantage.

9. Assaults on Match Officials

The following Regulations shall apply at all levels of the game (excluding the 6 designated Leagues):

- 9.1 In addition to assisting a match official who has reported an assault against him, The Football Association or appropriate Association shall without delay investigate the match official's report and if, after such investigation, the chairman and secretary of the Association or their nominees are satisfied that a prima facie case can be made out against the alleged offender they shall take such steps as are necessary to ensure that a charge is preferred and that a Disciplinary Commission meets to consider the charge within 28 days of (the date of) the charge letter. The alleged offender shall not participate in any football activity from the date when he is notified of the charge, until a Disciplinary Commission has heard and adjudicated on the matter.
- 9.2 There shall be three categories of assaults:
- COMMON ASSAULT
 - ASSAULT CAUSING BODILY HARM
 - ASSAULT CAUSING SERIOUS BODILY HARM
- 9.3 All assaults on match officials in the above three categories must be reported to The Football Association within 14 days of the completion of a case that has been proved, giving the decision of the Disciplinary Commission together with any reason for variation of the recommended punishments set out in 4 below. (If a match official who has reported a participant for an assault upon his person makes a written request for the decision and punishment awarded such must be made available to him at the earliest opportunity) .

10. Assaults by Participants on other Participants

10.1 When a referee's report indicates that a Participant has perpetrated an assault on another Participant causing serious bodily harm before, during or after a match, The Football Association or appropriate Affiliated Association may, as in cases of assaults on match officials, without delay investigate the official's report. If after such investigation, the chairman and secretary of the Association, or their nominees, are satisfied that a prima facie case can be made out against the alleged offender, such steps shall be taken as are necessary to ensure that a charge is preferred and that a Disciplinary Commission meets to consider the charge within 28 days of the date of the charge letter. The alleged offender shall not participate in any football activity from the date when he is notified of the charge until a Disciplinary Commission has heard and adjudicated on the matter.

10.2 The recommended punishments for such offences are set out below: -
Offender

- | | | |

11. Failure to Comply

11.1 When the provisions above are not complied with, the player's right to a Personal Hearing or to make a plea for leniency is forfeited and the Disciplinary Commission may deal with the reported misconduct on such evidence as is available.

11.2 Failure on the part of the player or his club secretary to discharge any of the requirements set out at clauses in Sections 5, 6 and 7 above may constitute misconduct, which may result in a further charge against the player, his club, or both. (In any case, a late fine, currently £20, will be levied in addition to the original charge and a further 7 days given to respond to the charge. Failure to respond within the 7 days will result in a further Late Fine of £20 and the Club and Player being suspended after a further 7 days until the provisions above have been complied with). Any punishment imposed for failure to comply will be limited to a financial penalty if the fault of the club, but may include suspension of the player where it is the player's fault).

3 When dealing with compliance issues the Association must consider the following:-

- (a) Whether the player has responded to his club.
- (b) Whether the club has failed to pass on his reply.
- (c) Whether the club has informed the Association that the player has failed to respond.
- (d) Whether the player has left the club.

12. Suspension pending Misconduct Hearing

12.1 The appropriate (Affiliated) Association shall have the power, in consultation with The Football Regulatory Authority, to order that an Official of a Club affiliated to or a Player registered with that Association, and not one associated with the 6 designated Leagues, shall be suspended from all or any specific activity for such period and on such terms and conditions as agreed by The Football Association and the Association considers appropriate (an "Interim Suspension Order")

12.2 The Interim Suspension Order shall apply when the Club Official or Player has been charged by the Affiliated Association in relation to an alleged act of serious misconduct, or with a criminal offence, or by a League sanctioned by the Affiliated Association or The Football Association in connection with disciplinary action pursuant to relevant regulations of the League.

- 12.3 As soon as reasonably practicable notification of an Interim Suspension Order shall be advised to the Player and/or the Club and will be lifted when the charge of misconduct is dealt with by a Disciplinary Commission or the criminal charges are withdrawn or found not to have been proved.

13. Personal Hearing

(See also: General Provisions relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association and Other Disciplinary Commissions and Appeal Boards; and Disciplinary Procedures to be used at Personal Hearings before Disciplinary Commissions requested by Participants of Clubs and Clubs dealt with by County and Other Affiliated Associations).

- 13.1 The notification indicating a charge must inform the player of the right to request a Personal Hearing in respect of the alleged offence and must also indicate that in the event of the charge being proved there will be a liability to be ordered to pay all or part of the costs of the Personal Hearing, which costs may include a part of the overhead expenses of the Association attributable to the hearing. Similarly, in cases where the rules or regulations of the Association require the deposit of a fee for a Personal Hearing, (as determined by the Council - currently £25) at the time of such request the player must be informed that the fee is liable to be forfeited in full or in part if the charge is proved, in addition to any fine which may be imposed. In an unproved case neither a fee may be retained, nor may Disciplinary Commission costs be levied, either for a Personal Hearing or for any other "non-Personal Hearing" case. (Disciplinary Commission costs cannot be levied in cases where a player has been instructed to appear before a Disciplinary Commission).
- 13.2 Upon receiving a request for a Personal Hearing in respect of an alleged offence, the Association will appoint a Disciplinary Commission of not less than three nor more than five members to hear and adjudicate upon the charge. In the case of a player under the age of 18 years of age on the date fixed for the hearing, it shall take place either in the presence of a parent or guardian of the player or another appropriate adult.
- 13.3 Fines must not be imposed on children [Section 1.5(b)] Any fine and administration charges arising out of misconduct by a child must be levied on the club.
- 13.4 The player, through his club secretary, must be given the date, time and venue fixed for the Personal Hearing and arrangements made for the attendance before the Disciplinary Commission of any witnesses in support of the charge, in particular the match official(s) on whose report the charge has been brought. At a Personal Hearing of a charge a Disciplinary Commission may adopt such procedures as it considers appropriate and expedient for the just determination of the charge brought before it. A Disciplinary Commission shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.
- 13.5 The person charged and the match official(s) concerned should be given a minimum 14 days' notice of details of the Personal Hearing. Any written request to the Disciplinary Commission for a postponement of the hearing should be given consideration. If the reason submitted is considered valid, then a postponement should be granted, and in such circumstances costs may be charged. A request for a second postponement by the same party should not be granted.
- 13.6 If the charge is found not proved, any record of it will be expunged. If the charge is found proved the Disciplinary Commission will decide what punishment, if any, is to be imposed. In so doing, members of the Disciplinary Commission must consider the overall nature and effect of the offence(s) and the player's previous record and any plea for leniency.
- 13.7 Except when an Appeal has been lodged, any fines or costs that are ordered must be paid before the expiry of 14 days from the date of the order. Failure to pay within such period is deemed to be misconduct punishable by censure, a further late fine and/or suspension as determined by a Disciplinary Commission. (This second Disciplinary Commission shall have the power to consider the matter on 48 hours notice and the power to suspend for continuing non-payment.) (In any case, a late fine, currently £20, will be levied in addition to the original charge and a further 7 days given to respond to the charge. Failure to respond within the 7 days will result in a further late fine of £20 and, after a further 7 days, the Club and Player being suspended until the provisions above have been complied with.) The player and his club are jointly and severally responsible for payment of the fine and costs. The club shall take such action as may be necessary to recover any sum paid on the player's behalf. The rules or regulations of an Association must provide for disciplinary action to be taken against a player who fails to reimburse his club in accordance with the Football Debt Recovery (Section 14) regulations approved by Council.
- 13.8 A Disciplinary Commission shall comprise members appointed by the appropriate Association. The appointed members of such Disciplinary Commissions shall have no previous personal knowledge of the events or any involvement with any of the participants concerned.
- 13.9 The decisions of Disciplinary Commissions are final and binding on all parties subject only to a right of appeal to The Football Association under the provisions

of the Rules of The Football Association, but limited to offers of punishment in excess of 21 days suspension and a fine of £15. The player and/or the club for which the player was playing at the time may appeal within 14 days of the sending of the decision notification.

- 13.10 The decision of the Association will be sent by first-class post or by e-mail to the secretaries of all clubs for whom the player is known to be currently playing and to the player's home address if known. Each of these secretaries is responsible for informing the player of the decision.
- 13.11 The commencement date of any suspension imposed on a player is at the discretion of the adjudicating Disciplinary Commission, subject to the suspension starting on a Monday. Such date must allow for the 14-day period permitted for an appeal.

14. Football Debt Recovery

- 14.1 Associations are required to operate a system to collect football debts on behalf of Affiliated Clubs, Affiliated Leagues and Other Associations.
- 14.2 Football debts are defined as those costs arising directly from football activity, and as such would include disciplinary costs (e.g. fines), match costs (e.g. Match Fees), and playing expenses (e.g. pitch hire). Incidental costs (e.g. fund raising activities, Club Subscriptions) do not fall within the scope of Football Debt Recovery.
- 14.3 Associations may take action against individuals or groups of individuals. Individuals may be pursued where they are refusing to reimburse an individual club for a qualifying debt. Where a club has folded its qualifying debts may be apportioned against its registered members and officers, and action taken against them individually to recover the club's debt.
- 14.4 Where a club's debts are apportioned to individuals they must then be treated as individuals, and any disciplinary action must not be linked to the recovery of the total debt.
- 14.5 It is incumbent on the creditor to take reasonable steps to recover the debt before asking their parent Association to take action. This would normally include approaching the debtor personally as well as contacting them in writing to seek payment.
- 14.6 The Parent Association should be approached as soon as it is clear there is a problem. In all cases this should be within 28 days of formal payment being requested, and 56 days of the debt being incurred.
- 14.7 Upon receipt the Association must immediately take steps to verify whether the debt is valid and notify the creditor and debtor of its decision.
- 14.8 Upon being satisfied that a qualifying debt exists the Association must apportion the debt on a pro-rata basis and notify the individual or individuals concerned. The Association may add an Administration Fee (not exceeding £8) to each individual's pro-rata debt.
- 14.9 Upon being notified, an individual must pay the debt within 21 days of the issue of the notification letter or appeal in accordance with the appeal procedures. If payment or appeal is not received the individual will be suspended sine die until the debt is paid and he is notified that the suspension has been lifted. This suspension will commence from (and include) the 22nd day after the date the notification was issued.
